

Sneha Iyer

NLP Engineer | sneha.iyer@gmail.com | +91 96655 44433

Professional Summary

Computational Linguist and Machine Learning Engineer specializing in NLP parsing pipelines, transformer architectures, and custom text cleaning utilities.

Work Experience

ML Engineer (Contractor) - Cognizant (2024 - 2025)

Developed custom parsing modules for scanning financial logs. Deployed BERT-based semantic search systems. Managed text preprocessing pipelines in Python.

Key Skills

Python, NLTK, SpaCy, BERT, PyTorch, Transformers, Regex, Text Mining

Education

M.Sc in Computational Linguistics, Hyderabad Central University
